

Literacy in the Park is a summer reading program that will be held during lunch time from June 8– August 7th. It includes a storytime, activities, and books to borrow from Little Libraries.

Literacy in the Park activities will be on:

Monday– Cassia Park, Elm Grove Park, Ivywild Park, Oak Park Village Apartments, Sunset Park

Tuesday– Davis Park Apartments, Fairview Crossing Apartments, Manitou Park, Mystic Cove Park, Pioneer Square Apartments, Wylie Station Apartments

Wednesday– Borah Park, Liberty Park, Owyhee Park, Philippi Park, Winstead Park

Thursday– Castle Hills Park, Garden City Library, Latah Village Apartments, Shannon Glen Apartments, Veterans Park, Comba Park, Redwood Park

Friday– Mountain View Park, Valley View School

Your child worked hard to be a better reader over the school year. Don't let them lose that hard work. Kids that read 4 or 5 books over the summer hang onto their reading skills better than those who don't.

Contact Stephanie Bailey-White at 334-2150 for more information about the program.

This project is made possible by a grant from the U.S. Institute of Museum and Library Services. Brought to you by the Idaho
